

Ceiling lamp Trio Lighting FLY black 32W 3900lm switch dimmer 3000K warm white

Product code 20880

Illuminating the living or sleeping area in an atmospheric yet sufficiently bright way requires a special and modern lighting concept. The curved FLY ceiling light, which forms the centrepiece of any room, creates a perfect balance between functionality and design. With the integrated SWITCH dimmer, you can conveniently adjust the brightness in three levels (100%, 50% and 25%) using your conventional light switch, immersing your room in an artistic play of light with a statement. Enjoy atmospheric lighting and make your home your favourite place for enjoyable lighting effects! The combination of the curved design and a black matt surface gives the FLY ceiling light a very special touch. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
