

Facade luminaire Prolumen WL85 white 230V 8W 850lm CRI80 45° IP65 3000K, 4000K, 5000K 3CCT

Product code 20945

This modern and clean-lined light fixture is designed to create a pleasant and focused lighting atmosphere for building façades and interior spaces. Its durable metal housing ensures long-lasting performance and effective heat management. Thanks to its weather-resistant construction, it is suitable for use in various environments. The light colour can be easily adjusted to suit the desired ambience, whether warm and welcoming or clear and neutral. Installation is quick and convenient, and the fixture is available in both standard and dimmable versions to adapt the lighting to different needs.
