

## Floor lamp Trio Lighting Shanghai black 18W 2000lm 3000K warm white

Product code 20974

SHANGHAI - a floor lamp that impresses with its eye-catching yet minimalist design. The arched shape of the luminaire is a particular eye-catcher. Thanks to its narrow body, however, it blends in perfectly with its surroundings. It does not need much space to impress. You can also set the desired light intensity using the practical foot dimmer. The colour black is an ideal combination colour. Set specific accents by combining the light with interiors in light colours. The light goes perfectly with a modern furnishing style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
