

Wall light Trio Lighting Lyon nickel E27

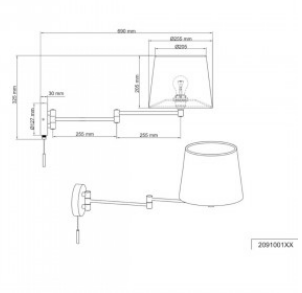

Product code 20980

Simple, elegant and design-orientated. The high-quality LYON wall light impresses with its modern style and straightforward design. The wall light conjures up a pleasant lighting mood and is incredibly decorative at the same time. Ideally, the LYON should be placed in the bedroom next to the bed, as the combination of a swivelling arm, a 69 cm projection and flexible mounting makes it ideal as a light next to the bed. The LYON is equipped with the FLEXconnect feature, which means that it can be attached to the wall in any position and connected to the socket via a cable or is suitable for a fixed connection without a cable thanks to the integrated cable outlet. The combination of matt nickel and a white fabric shade is perfectly rounded off and creates an elegant overall look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Brand	Trio Lighting
Socket	E27
Width	255.0mm
Height	325.0mm
Weight	1.1 kg
Package weight	2 kg
Casing colour	nickel
