LTECH

LED driver LTECH DT6/DT8 2CH 1 230V 20W IP20 DALI

Product code 21025

A high-quality constant current LED driver designed for professional lighting solutions where precise light control, smooth dimming, and color temperature adjustment are essential. The device supports DALI-2 control and is ideal for Tunable White luminaires.

Thanks to NFC programming, configuration is fast and flexible — parameters can be adjusted without physical switches or opening the housing. This significantly simplifies installation and system setup for both designers and installers.
