

Facade luminaire Trio Lighting Tawa anthracite 7,5W 800lm IP54 830

Product code 21064

Create a modern garden ambience! The wall lamp TAWA appears in elegant modernity and is protected against splash water thanks to protection class IP54. The luminaire is therefore suitable for outdoor use - on the house facade, the balcony or on the wall of your terrace. The soft and pleasant light emitted by the outdoor luminaire creates an inviting and atmospheric environment. In trendy anthracite, the luminaire sets a colour contrast on a bright wall, which become a decorative eye-catcher. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
