

Facade luminaire Trio Lighting Tawa 2 X 9 W anthracite 18W 1800lm IP54 830

Product code 21065

Create a stylish garden ambience! The wall lamp TAWA appears in elegant modernity, which is protected against splash water thanks to protection class IP54. The luminaire is therefore suitable for outdoor use – whether on the house facade, the balcony or on the wall of your terrace. The soft and pleasant light that the outdoor luminaire emits indirectly creates an inviting and atmospheric environment. In trendy anthracite, the luminaire sets a colour contrast on a light wall and becomes a decorative eye-catcher. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
