

Wall light Trio Lighting Nilam E27 + 3,1 W natural 230V 310lm GU10 IP20 3000K warm white

Product code 21080

Lights made from natural materials bring lightness and cosiness into your home. This makes the NILAM wall light perfect for your bedroom! In addition to the pleasant main light with a cylindrical fabric shade, the modern wall light has a convenient and flexible reading arm that can be used as a second light source to customise the light to your needs. Both light sources can be switched separately using two switches on the body. Thanks to the FLEXconnect feature, the light is also suitable for both fixed connection and use with a plug lead. The colour and material of the lamp in white fabric and untreated natural wood create an oasis of well-being in your sleeping area. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Correlated colour temperature	warm white 3000K
Luminous flux	310lumens
Luminaire’s efficiency	100lm/W
Warranty	1 years
Brand	Trio Lighting
Supply voltage	230V
Maximum output	3.1W
Socket	GU10
Protection class	IP20
Lifespan	50000h
Width	180.0mm
Height	300.0mm
Diameter	180.0mm
Weight	900 g
Package weight	1.2 kg
