

Wall light Trio Lighting Hotel E14 + 3,1 W gray 230V 310lm GU10 IP20 3000K warm white

Product code 21082

Luminaires with textile shades create an atmospheric ambience and cosiness. The light is gently emitted into the surroundings via the fabric shade, creating a cosy atmosphere. The wall lamp HOTEL is suitable as an alternative to the classic bedside lamp. Because the practical reading arm can be individually aligned by the flex arm. Two switches on the side of the lamp allow the main shade and the reading arm to be switched separately. The simple shape of the lamp conveys a pleasant living ambience and is considered a classic in decorative lighting. Due to the tasteful combination of the grey shade with matt nickel, the lamp creates a modern environment. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
