

Bollard light Trio Lighting Ardila wood E27 IP44

Product code 21100

Our ARDILA series brings timeless modernity to your outdoor area. The unusual design with a glass shade with a wood look provides atmospheric lighting accents and a pleasant atmosphere around your home. The bollard light has a twilight sensor that switches on automatically as it gets darker and can be switched off as required using an integrated switch. Thanks to its IP44 protection rating, the light is weatherproof. The light is a high-quality eye-catcher in your outdoor area thanks to its elegant design made of glass and die-cast aluminium in a wood look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
