

Floor lamp Trio Lighting Mansur black E27 IP20

Product code 21101

Arched luminaires add a modern touch to your home and at the same time radiate a pleasant sense of calm. This is also the case with the MANSUR floor lamp, which creates a warm atmosphere with its slender, curved frame and simple shade shape. The classic fabric shade directs the light upwards and downwards, creating a wonderful island of light underneath where you can read or relax. The MANSUR is particularly suitable for large living rooms, as it takes up a lot of space and is effective as a decorative element in its own right. The fabric shade is taupe on the outside and a reflective gold colour on the inside. The frame and base in matt black round off the luminaire perfectly. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
