Lighting ideas with colour features. The ARVIN LED luminaire creates the right light for every mood and situation. Differently aligned and clearly arranged, the light elements can be adjusted in brightness and RGB colours as desired. Separately switchable indirect lighting and convenient remote control are further highlights. The matte black colour scheme leaves a modern, stylish appearance. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
