

Wall light Trio Lighting Raven black 230V 1000lm IP20 switch dimmer 3000K warm white

Product code 21109

Guaranteed to catch the eye! The RAVEN wall light not only serves as a simple wall light, its elegant slate design creates a modern appearance with a decorative character. The minimalist look allows the indirect lighting to take centre stage, creating a pleasant and atmospheric ambience. The luminaire also has a SWITCH dimmer, allowing the brightness to be adjusted from 100% to 50% and 25% using a conventional light switch. The slate design in black creates a modern look and makes it easy to integrate into existing furnishing concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
