

Wall light Trio Lighting Hotel E14 + 3,1 W white 230V 310lm GU10 IP20 3000K warm white

Product code 21122

The HOTEL wall light combines a unique design with functional features. The fabric-covered shade creates an even, glare-free light. The practical reading arm can be individually adjusted using the flex arm. The main shade and the reading arm can be switched separately using two switches on the side of the light. This makes the HOTEL wall light particularly suitable as an alternative to a classic bedside lamp. Thanks to the classic colour design in matt nickel and the white shade, the light can be combined with many furnishing styles. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Correlated colour temperature	warm white 3000K
Luminous flux	310lumens
Luminaire’s efficiency	100lm/W
Warranty	5 years
Brand	Trio Lighting
Supply voltage	230V
Maximum output	3.1W
Socket	GU10
Protection class	IP20
Lifespan	50000h
Width	200.0mm
Height	235.0mm
Weight	1 kg
Package weight	1.3 kg
Casing colour	white
Casing material	metal + textile
No. of switches	50000times
Work environment	indoor use
Certificates	CE
Manufacturer’s homepage	products.trio-lighting.com/271170201-2/
Energy class
