MAYTONI

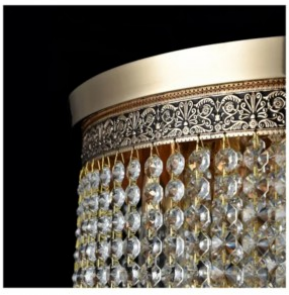

Chandelier Maytoni Cascade gold 60W E14 IP20

Product code 21176

The Cascade collection features pendant luminaires offered as single fixtures or preconfigured compositions with five or seven light sources on a shared base. The elongated shades, housing integrated LED light sources, are available in black or brass colors. Their sleek silhouette visually elongates the room, introducing a rhythmic flow into the space. Thanks to the adjustable cords, these luminaires are also perfectly suited for spaces with high ceilings.
