MAYTONI

Pendant lamp Maytoni Tau black / golden 30W 1500lm 360° IP20 830

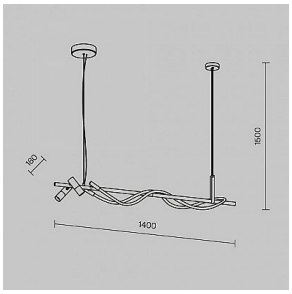

Product code 21333

Tau is the German word for rope. Luminaires of this series follow the current trend for using flexible neon strips as diffusers. This series features pendant, ceiling, wall and floor luminaires, with diffusers made of flexible silicone neon strips and ropes with a high LED density. They create a soft, diffused light and fit perfectly into modern minimalist interiors thanks to the hi-tech design of their black and brass fittings.
