MAYTONI

Pendant lamp Maytoni Plato brass 12W 760lm 120° IP20 930

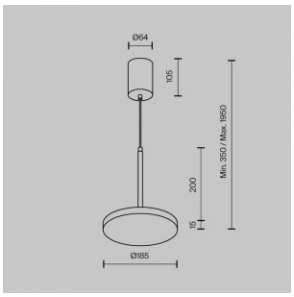

Product code 21417

The Plato track luminaire is a stylish and practical lighting solution.
It can be used in various settings, including stores, cafes, offices, and residential areas. Thanks to its modern flat design, it can be easily integrated into any interior. Its housing is made of aluminum and is available in black with a powder coating. The LED light source has a 3000K color temperature. You can also opt for a smart version with adjustable color temperature from 2700K to 6000K and Bluetooth Mesh dimming. The flat design creates a neat and discreet look. The luminaire has a rotary mechanism on a rigid base, allowing you to change the direction of the light in two planes: around its axis with a 355° rotation, or in the horizontal plane with a 180° tilt. LED light sources boast high brightness and low power consumption.

Correlated colour temperature	warm white 3000K
Luminous flux	760lumens
Warranty	5 years
Brand	Maytoni
