MAYTONI

Wall lamp Maytoni Axis black / white 16W 1400lm 360° IP20 830

Product code 21426

The minimalistic luxury of the Axis series follows the latest trends in style and technology. The lamps' straight lines intersect at different points depending on the angle, creating stunning visual compositions. Each beam contains a hidden LED element, with the light distributed smoothly and evenly by an acrylic diffuser. The straightforward shapes of the white matte diffusers are complemented by the noble golden tone of the body. Models from this series are the ideal choice for hi-tech and minimalist interiors.
