

Wall light Trio Lighting Ligara silver E14 IP20

Product code 21466

The modern LIGARA plug-in spotlight is always worth a look. Its high-quality design makes the light a chic home accessory. Thanks to the flexible arm, the lighting experience can be customised and the spotlight can set lighting accents according to your wishes. The light is easy to operate via a switch and is particularly suitable as a reading lamp next to your bed. The light has a maximum height of 28 cm and a maximum projection of 20 cm. In matt nickel, the wall light can be combined with various colour concepts, making it wonderfully easy to integrate into your home. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
