

# Bollard light Trio Lighting Trioto black E27 IP20

Product code 21467

The TRIOTO bollard light combines stylish design and functionality to make paths, driveways and garden areas safe and inviting. Ideal along footpaths or near patios, it not only creates striking accents, but also ensures uniform illumination and better orientation in the dark. Its cylindrical design emits light in all directions and creates an atmospheric play of light in outdoor areas. With an IP44 protection rating, TRIOTO is reliably protected against splashing water from all sides and is ideal for outdoor use. Made from high-quality stainless steel in matt black and combined with white plastic, it impresses with its durability and timeless elegance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
