

Clamp light Trio Lighting Tajo gray E14 IP20

Product code 21470

The adjustable TAJO clamp light creates homogeneous illumination at the workplace. The light is equipped with a switch and can be flexibly attached to table edges using the clamp. With its maximum height of 90cm, it can be used variably. The design is made of metal in a steel colour. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
