MAYTONİ

Track light Maytoni Unity Basis Rot black 230V 24W 1540lm 110° IP20 930

Product code 21492

The Basis Rot track luminaire is a modern lighting solution with an elegant aluminum housing finished in black or white.

Basis Rot luminaires are designed for lighting both commercial and residential spaces, including stores, showrooms, and apartments. They provide quality directional lighting that can emphasize the decor or displayed wares. The light source used in this luminaire is LED. The light dispersion angle is 110°. The color temperature is 3000K or 4000K. The vertical swivel function allows you to point the light beam in any direction, making the luminaire perfect for highlighting specific objects.
