MAYTONI

Track light Maytoni Trinity Vuoro black 10W 750lm 24° IP20 930

Product code 21561

Its modern, minimalist design easily blends into any setting. The light is available with two light temperature options: 3000K for warm light and 4000K for neutral light. The light spreads out at an angle of 24°. Options include classic black and white, allowing you to choose the perfect option for your interior. The luminaire allows you to customize your lighting according to your needs and preferences. It is easy to install into a track system, suitable for both homes and offices. The product is covered by a 5-year warranty, and we offer technical support.
