Product code 21718

The solution is perfect for illuminating homes and workplaces, creating a warm ambiance. Its contemporary, streamlined aesthetic is versatile for diverse spaces. The luminaire's high-quality aluminum housing ensures reliability and longevity. It features a rotary mechanism for directional lighting and a recessed light source adjustable to a range of color temperatures between 2700K and 6000K, and it supports DALI dimming. Available in black and white, this design is easy to match with your interior style. Its streamlined and efficient design seamlessly fits into ceiling installations. The recessed light source offers soft and evenly distributed illumination, while the rotary mechanism lets you adjust the light angle as needed. The luminaire consumes very little energy and will last for a long time.
