MAYTONİ

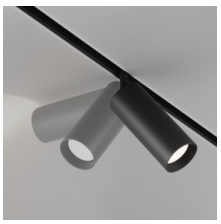

Track light Maytoni Exility Focus LED black 48V 20W 1500lm CRI90 24° IP20 Dim Smart 2700K-6000K warm + cold white

Product code 21744

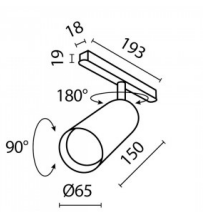

The Focus LED track luminaire is a stylish and practical accent lighting solution.

The luminaire is made of metal and is available in three colors: white, black, and black with brass. With clean lines and classic colors, its modern design makes it a versatile addition to any interior. The LED light source offers two options for color temperature: 3000K and 4000K. You can also opt for smart versions with adjustable color temperature from 2700K to 6000K and Bluetooth Mesh dimming. The compact and recessed design of this luminaire allows it to blend seamlessly into existing lighting schemes. You can control the lights using your smartphone, remote control, or voice assistants. The features include turning the light on or off, adjusting its brightness, and changing the color temperature. The LED light source boasts low power consumption and a long lifespan.
