MAYTONI

Track light Maytoni Exility Rado black 48V 18W 1080lm 120° IP20 930

Product code 21771

The Rado track luminaire is a great choice for your space, combining modern design with functionality and providing high-quality lighting.

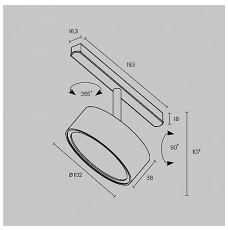

The modern and minimalistic design of the Rado luminaire makes it a great addition to any interior, whether it's minimalist or classic. The LED light source has a color temperature of 3000K and 4000K. Models with a color temperature adjustable from 2700K to 6000K and dimming options are also available. The luminaire is available in black, white, and brass colors, giving you the flexibility to find the perfect option for your interior. You can control the luminaire using your smartphone, remote control, or voice assistants. The ability to adjust the brightness and color temperature of the luminaire allows you to tailor the lighting to your specific needs and mood.
