MAYTONİ

Track light Maytoni Exility Luna black 48V 5W 320lm CRI90 360° IP20 Dim Smart 3000K - 6000K warm - cold white

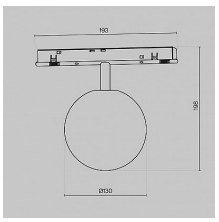

Product code 21785

The Luna track luminaire is an elegant solution shaped like a perfect sphere. It is designed for general residential lighting.

It offers even and comfortable lighting, ideal for various spaces in the home. The modern and stylish luminaire seamlessly blends into any interior space thanks to its minimalist design. The plafond is made of matte glass with a soft-touch surface. This prevents glare and creates a subdued lighting effect. There are two types available: track-mounted and suspended. The suspended version is designed for high ceilings and offers great flexibility in usage. The luminaire's color temperature can be adjusted between 2700 and 6000K. Its round shape and compact size make for an ideal stylish design. With the ability to adjust the colour temperature, it allows you to adjust your lighting to match the needs and moods of the day. LED lights are highly energy efficient and long-life. The luminaire is easy to install in a track system, and it can also be suspended in rooms with high ceilings.

Correlated colour temperature	warm - cold white 3000K - 6000K
Luminous flux	320lumens
Warranty	3 years
Brand	Maytoni
Supply voltage	48V
