MAYTONI

Track light Maytoni Radity Basis black 48V 6W 350lm 120° IP20 930

Product code 21807

The efficient Basis track luminaires are made of high-quality extruded aluminum and have a matte polycarbonate diffuser, ensuring reliability and stylish looks.

Designed for general lighting, they are perfect for both commercial and residential settings. This modern design seamlessly integrates into any interior. The luminaire has a durable aluminum housing, and its diffuser is made of high-quality matte polycarbonate. SANAN LEDs. The 120-degree diffusion angle and Ra 90 color rendering index ensure high-quality lighting. The lights are available in white or black finish, allowing you to create attractive combinations. The lights have a 3000K or 4000K color temperature. Energy-efficient LEDs are designed to consume less power while maintaining high levels of brightness. The luminaire is very easy to install, which makes it a great choice for both professionals and DIY enthusiasts.
