MAYTONI

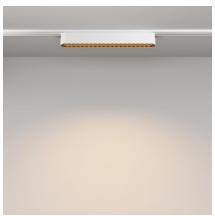

# Track light Maytoni Radity Basis Grid white 48V 12W 190lm 60° IP20 930

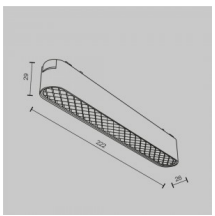

Product code 21815

The efficient Basis track luminaires are made of high-quality extruded aluminum and have a matte polycarbonate diffuser, ensuring reliability and stylish looks.

Designed for general lighting, they are perfect for both commercial and residential settings. This modern design with a unique texture seamlessly integrates into any interior. The luminaire has a durable aluminum housing, and its diffuser is made of high-quality matte polycarbonate. SANAN LEDs. The 60-degree diffusion angle and Ra 90 color rendering index ensure high-quality lighting. The lights are available in white or black and white finish, allowing you to create attractive combinations. The lights have a 3000K or 4000K color temperature. Energy-efficient LEDs are designed to consume less power while maintaining high levels of brightness. The luminaire is very easy to install, which makes it a great choice for both professionals and DIY enthusiasts.
