MAYTONI

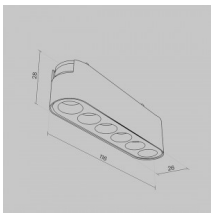

Track light Maytoni Radity Points black 48V 6W 700lm 36° IP20 940

Product code 21819

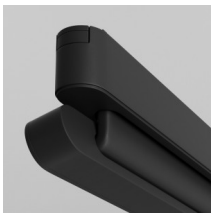

About series Points
The Points track luminaire is a stylish and functional lighting option that will be perfect for both office and residential environments.

It is designed to create an intricate light architecture with accents, allowing you to emphasize the important elements of a space. Its modern and minimalist design and universal color choice help it blend perfectly into any interior. The luminaire is made of strong aluminum, which makes it durable and reliable. It features an optical system that produces a "light from nowhere" effect. The luminaires are available in a classic black color, making them a versatile choice for various interior decorating styles. Their compact, elegant outlines are ideal for organizing lighting in various spaces. The solution is compatible with the S35 track system, making it easy to install and integrate into existing lighting architecture. The lights are designed to meet modern energy efficiency standards. Compatibility with a track system makes the installation process easy and quick.
