Ceiling lamp Trio Lighting Cinto black 20W 2380lm IP20 switch dimmer 3000K warm white

Product code 21886

The CINTO luminaire presents itself as an impressive work of art made of light, whether on the wall or ceiling of your home. The linear design language and trendy colour combination unfold their full effect and transform the luminaire into an elegant decorative element for living or sleeping areas. The integrated SWITCH dimmer makes it possible to adjust the brightness in three levels (100%, 50%, 25%) using a conventional light switch. The CINTO luminaire is not just a light source, but also an enrichment with its strong character in matt black and gold colour, which gives your interior a special touch. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
