

Luminaire frame Trio Lighting Jura chrome square GU10 IP20

Product code 21940

The secret of TRIO recessed luminaires is: timeless.flexible.design-orientated. With the right recessed lights, stylish accents can be set and an atmospheric ambience created. The swivelling recessed spotlights in the JURA range can be used in a variety of ways - whether as ambient lighting or for targeted accentuation of selected areas. The light source is interchangeable, so you have the option of choosing your personal favourite from switchable and dimmable light sources for flat or directional light. The square design is timeless and blends easily into a variety of interior styles. The JURA recessed spotlight measures 80 x 80 mm and requires a ceiling cut-out of 68 mm and an installation depth of at least 90 mm. Thanks to the chrome-coloured surface, the luminaire blends seamlessly into its area of application and can be easily combined with other objects in the room. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
