

Ceiling lamp Trio Lighting Nuria nickel 58W 7000lm IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

Product code 21964

Curved shapes form the basis of the NURIA luminaire. The harmonious design and extra-wide profile make the ceiling light a special lighting object with practical additional functions. Three light colours (warm, neutral, daylight white) can be set on the canopy using DIP-SWITCH. The brightness can also be adjusted in 3 stages using the conventional light switch. Thanks to the matt nickel colour design, the luminaire can be combined with many furnishing concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature 3CCT 2300K, 3000K, 4000K

Luminous flux 7000lumens

Warranty 5 years

Brand [Trio Lighting](#)

Dimmable switch dimmer

Output 58W

Protection class IP20

Height 180.0mm

Diameter 590.0mm

Casing colour nickel

Casing material metal

Work environment indoor use
