

Dome light Trio Lighting Suzuka white 40W 4650lm IP20 dimmerdatav

Product code 21967

Stylish and extraordinary - a statement for any room. The SUZUKA luminaire impresses with its innovative design and full functionality. It not only fulfils its purpose of illuminating the room, the unusual design also makes the SUZUKA a modern work of art. Properly staged, the luminaire becomes an eye-catching centrepiece that stylishly enhances any living area. The Suzuka combines a variety of special features to create the right ambience in your living space. The light can be dimmed and its light colour can be individually adjusted from warm white (3000 Kelvin) to cool white (5500 Kelvin) using the included remote control. The individual light sources can be switched differently. In this way, different light variants can be created to provide pleasant room lighting: warm white inside and cool white outside, cool white inside and warm white outside. Let yourself be inspired and make your living space shine. The SUZUKA is suitable for both wall and ceiling mounting.
