

Bollard light Trio Lighting Fuerte anthracite 15W 1700lm IP54 3000K warm white

Product code 21972

The FUERTE outdoor luminaire is characterised by its timeless yet modern appearance. The light filtered through the cover provides a pleasant light intensity in the garden, entrance area or on the terrace. In addition, the luminaire is particularly weather-resistant due to the IP54 protection class and the die-cast aluminium and is therefore suitable for lighting your outdoor area. The luminaire offers numerous application possibilities thanks to its simple form and modern colour scheme in anthracite and white. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
