

## Facade luminaire Trio Lighting Trave gray 16W 2000lm IP54 3000K warm white

Product code 21973

The TRAVE LED outdoor light offers the perfect blend of form and function. The square shape is timelessly simple and is a real eye-catcher thanks to the great illumination. The carport or entrance area can thus be optimally illuminated. The combination of titanium-coloured die-cast aluminium and white plastic looks very elegant and can be perfectly integrated into modern furnishing concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
