

Pendant lamp Trio Lighting Wood natural E27

Product code 21986

Thanks to its clear design, the WOOD pendant light enhances a wide variety of rooms and furnishing styles in a very tasteful way. The light-coloured wood in combination with the black socket and black cable creates a harmonious effect and provides pleasant light. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
