

Facade luminaire Trio Lighting Thames II anthracite 9W 900lm CRI80 IP54

Product code 21997

The THAMES II outdoor wall light conjures up great lighting accents on your house façade. The modern up and down lighting creates a cosy lighting atmosphere outdoors. Indoors, it is particularly effective as contemporary lighting for corridors and hallways or as a beautiful designer living room lamp. Regardless of the purpose for which you need your wall light, whether you are looking for LED outdoor wall lights for façade lighting in the entrance area, modern patio lights, directional path lights or indoor lights such as hallway lamps or living room lamps, the wall light fulfils all these requirements in every respect. The anthracite die-cast aluminium version can complement classic and modern style concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
