

Facade luminaire Trio Lighting Thames II anthracite 16W 1600lm IP54 830

Product code 21998

Anyone who has ever looked for their keys and then their door lock in the dark knows how important it is to have well-functioning outdoor lighting. Especially in the darker months of the year, but also in summer, you don't want to do without beautiful illumination of your property with an effective outdoor light like our Thames model. It has a height of 9 cm, W.46.05xL.cm. The outdoor wall light is made of metal and anthracite. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
