

Wall light Trio Lighting Zazou 2 X GU10 white IP20

Product code 22012

Room for your own ideas. Regardless of the wall colour, you can simply paint the ZAZOU plaster light in the desired colour. It can therefore be easily integrated into any colour scheme and, with its up and down lighting, also creates beautiful lighting accents in your living space. The modern light has a width of 7.5 cm and a height of 16.5 cm. The simple design and neutral white colour scheme offer numerous application and combination options. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
