MAYTONI

Pendant lamp Maytoni Bicones white E27

Product code 22041

The Bicones collection reflects the essence of Scandinavian design through its thoughtful combination of materials and colors. The design features a decorative beechwood element that serves as a distinctive accent. To preserve and highlight the wood’s natural texture, a clear lacquer is applied. The shade and ceiling canopy are created from metal, offered in white or gray colors. The height of the pendant lamps can be easily adjusted by altering the length of the cord, providing flexible installation options.
