

Pendant lamp Trio Lighting Soka 5 white / black 230V GU10 IP20

Product code 22046

The SOKA pendant light combines modern simplicity with fine design details. Its clearly structured surface with vertical grooves gives it an elegant texture. Five light sources suspended side by side create a balanced, linear look and set decorative lighting accents - ideal above long dining tables, kitchen islands or as stylish lighting in open-plan living areas. Made of metal with a warm grey finish, SOKA has a modern, bright and unobtrusive look and can be integrated into a variety of colour schemes - purist, but with character. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Warranty	2 years
Brand	Trio Lighting
Supply voltage	230V
Dimmable	DALI 2
Socket	GU10
Protection class	IP20
Length	90.0mm
Width	850.0mm
Height	1500.0mm
Diameter	55.0mm
Weight	2.4 kg
Package weight	3 kg
Casing colour	white / black
Casing material	metal
Work environment	indoor use
Operation temperature	-40 ~ +45°C
Certificates	CE
