

Ceiling lamp Trio Lighting Caya 58W 6800lm CRI80 IP20 switch dimmer 2200K, 3000K, 4000K 3CCT

Product code 22108

The curved lines of the CAYA ceiling lamp offers elegance and lightness in your home. Stylish and modern in design, it blends in with various interior styles and provides an all-round cosy ambience. The luminaire has a SWITCH dimmer, allowing the brightness to be graduated from 100% to 50% and 25% via a conventional light switch. In addition, three light colours (warm white, neutral white and daylight white) can be set via a switch directly on the luminaire. Thanks to the modern colour design in matt brass and matt black, the luminaire finds a place in many colour concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
