

Ceiling light-fan Trio Lighting Trondheim black IP20

Product code 22112

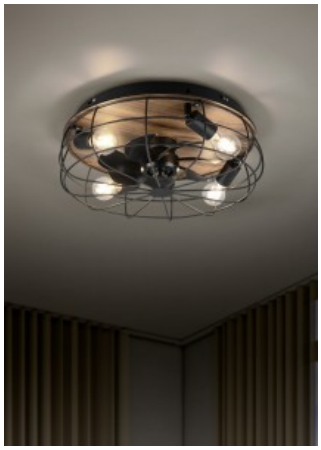

The TRONDHEIM ceiling light combines light and air circulation in a modern and minimalist design. With three speed levels and an integrated timer function, the fan ensures a balanced distribution of room air and optimum illumination of the room in both summer and winter. A remote control included in the scope of delivery allows you to operate all functions and the light or fan separately. The modern design in matt black and wood colour allows the ceiling light to blend in perfectly with existing interiors. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Brand	Trio Lighting
