

Ceiling light–fan Trio Lighting Lund black 8W 850lm IP20 2700K-6500K

Product code 22115

Whether in the living room or bedroom, the LUND fan provides a breath of fresh air wherever atmospheric lighting and pleasant air circulation are required. The light and fan can be controlled individually using the practical remote control - for an optimum room climate in summer and winter and a cosy lighting atmosphere all year round. Thanks to the integrated dimmer, the brightness can be adjusted as required, while the light colour is infinitely variable. LUND also offers a timer and night light function for even more convenience. Light in design and with an unmistakable character - LUND elegantly combines functionality and aesthetics. The lightweight design in matt black plastic emphasises the modern and versatile design. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
