

Ceiling light–fan Trio Lighting Kasfjord white 30W 3700lm IP20 2700K-6500K warm + cold white

Product code 22116

The KASFJORD ceiling light - your modern 2-in-1 solution for everyday life! With the remote control included in the scope of delivery, you can conveniently control all functions from a distance. If more than just light is required, the fan blades can be extended at the touch of a button - for a refreshing room climate in your bedroom or living room. Thanks to the integrated dimmer, you can adjust the brightness individually, while the light colour is infinitely adjustable - for the perfect ambience at any time of day. The fan offers six speed levels as well as practical summer and winter operation so that you can optimally regulate the room climate all year round. Convenience and practical functionality are combined in a modern design! The modern design in matt white metal blends harmoniously into a wide variety of living styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
