

Ceiling light–fan Trio Lighting Helsinki white 20W 2500lm IP20 2700K-6500K warm + cold white

Product code 22120

HELSINKI - made of high-quality metal, this fan with integrated light source combines elegant design with practical functions. In addition to a pleasant light, it ensures optimised air circulation and is a real eye-catcher in any room. All functions can be conveniently controlled using the remote control included in the scope of delivery. The fan also offers a practical timer and night light function for maximum convenience, while the six speed levels allow the air circulation to be customised. A classic that impresses with both its appearance and its performance in the world of fans. The modern design in matt white combines metal and plastic to create a stylish and durable solution for your home. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
