

Ceiling light–fan Trio Lighting Farsund gray 30W 3500lm IP20 2700K-6500K warm + cold white

Product code 22125

Ceiling light AND fan! The modern FARSUND ceiling luminaire with integrated fan ensures a balancing distribution of the room air as well as optimal illumination in summer - but also in winter. With three speed levels and an integrated timer function, the fan ensures ideal air circulation. The light colour as well as the brightness of the luminaire can be continuously adjusted. The respective functions can be controlled individually via a remote control. Due to the modern design and the colour design in grey, the lamp with fabric shade can be perfectly integrated into the already existing interior. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm - cold white 2700K - 6500K
Luminous flux	3500lumens
Warranty	5 years
Brand	Trio Lighting
Output	30W
Protection class	IP20
Lifespan	30000h
Height	195.0mm
Diameter	485.0mm
Weight	2.8 kg
Package weight	3.7 kg
Casing colour	gray
Casing material	plastic
No. of switches	15000times
Work environment	indoor use
