

Ceiling light–fan Trio Lighting Stockholm black 37W 4300lm IP20 2700K-6500K warm + cold white

Product code 22134

STOCKHOLM ceiling light - timeless design meets sophisticated functionality! Its clean, minimalist look sets modern accents, while it impresses with its versatile functions. The round light source can be flexibly adjusted in terms of light colour and brightness to perfectly meet your needs. An additional integrated fan with six speed settings ensures a pleasantly refreshing room climate at any time of year. The remote control supplied enables convenient control of all functions directly from the sofa. A stylish solution for light and air in perfect harmony. Made of high-quality black matt plastic, STOCKHOLM blends elegantly and discreetly into any modern room concept. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
