

Ceiling light-fan Trio Lighting Linköping RGBW black 45W 5600lm IP20 2700K-6500K warm + cold white

Product code 22135

Experience the LINKÖPING ceiling fan as the perfect companion for every moment. During the day, the integrated fan provides a pleasant, cooling breeze, while in the evening you can enjoy the ideal light in combination with atmospheric music. The RGB colour changer allows you to adjust the lighting mood to your liking, while the integrated Bluetooth loudspeaker broadcasts your favourite sounds directly into the room. All functions can be conveniently controlled via the remote control, creating a harmonious combination of light, fresh breeze and sound that appeals to your senses in equal measure. LINKÖPING not only impresses with its functionality, but also with its modern design in black plastic, which makes it a stylish eye-catcher in any room. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
